# soundpedro2024 CHARIVARI

soundpedro is a season of experimental sound art events, presented annually, that investigates the way we perceive and experience sound. Many works are multi-sensory, addressing sound and aural perception in combination with other senses. It is produced by the Long Beach artist group FLOOD and hosted by Angels Gate Cultural Center. soundpedro is not a music event.

Saturday June 1, 2024, 7-10 PM
